LETTER FROM THE CHAIRMAN GRIT INVESTMENT TRUST PLC

(Incorporated and registered in England and Wales with registered number 08256031)
(Registered as an investment company under section 833 of the Companies Act 2006)

12 June 2023

Dear Shareholder,

I look forward to welcoming you at the Annual General Meeting on 7 July 2023. The Annual General Meeting will start at 11 a.m. at the offices of Peterhouse Capital Limited, 80 Cheapside, London, EC2V 6EE, United Kingdom.

1. Introduction

The purpose of this document is to convene an AGM to seek your approval for, *inter alia*, the Company's reports and the accounts for the year ended 31 December 2022, a share capital reorganisation, and to seek authorities to issue New Ordinary Shares both as regards the conversion of the outstanding CULNs and in respect of any future equity fundraise.

2. Background to the proposals

The Company's principal investment has been its 25% equity interest in and loans to Anglo-African Minerals plc ("AAM") located in Guinea. However, it has become clear that following a military coup d'état in Guinea in 2021, the prospect of selling AAM is extremely unlikely. Due to the long history of failed attempts to realise value from the Company's investment in AAM, we continue to adopt a prudent view and to reflect the Company's investment in and loans to AAM at a nil value.

At the beginning of 2022, the Board was working on a prospectus and also the internal authorisation as, or the external appointment of, an Alternative Investment Fund Manager. However, due to the difficulties completing this process and the poor sentiment towards the resource sector, the re-establishment of the Company as a resource focused investment trust was not achievable. An announcement was therefore made on 16 September 2022, that the Company had withdrawn both its AIFM and the prospectus application. Whilst the Company is still an Investment Trust, it is also looking at acquiring a business which would result in a Reverse Takeover which enables the Company to achieve an appropriate relisting on a public market. It is envisaged that the announcement of any such proposed transaction would result in the suspension of the Company's shares from trading on the Official List. If an RTO transaction can be achieved the Board believes it will provide a platform for the future growth of the Company and a positive outcome for Shareholders.

The Company Voluntary Arrangement approved by creditors on 21 December 2020 was successfully completed on 18 May 2023, following approval of the Company's proposed variation to creditors to bring the CVA to an early conclusion. The CVA creditors received a total of 83.06p in the £1. The CVA creditors accepted this payment in full and final settlement and cannot pursue the Company for any balance due to them in respect of those debts following the successful completion of the CVA.

3. Share Capital Reorganisation

The Company's share price is currently 1.7p, which is below the current nominal value of the Existing Ordinary Shares. As a Company cannot issue shares at less than nominal value it is proposed that the Company performs a share capital reorganisation to remedy this technical issue. The share capital reorganisation will have no economic implications for Shareholders.

It is proposed that each Existing Ordinary Share of 2.5p is sub-divided into one ordinary share of 0.1p and one Deferred Share of 2.4p. The rights attaching to the New Ordinary Shares will be identical in all respects to those of the Existing Ordinary Shares. The Deferred Shares will have no voting rights, no entitlement to attend General Meetings of the Company, no right to any dividend or other distribution

and will carry only the right to participate in any return of capital to the extent of the amount paid up or credited as paid up on each Deferred Share after the holders of Existing Ordinary Shares have received, in aggregate, capital repayments amounting to £100,000,000. Accordingly, the Deferred Shares will, for all practical purposes, be valueless and it is the Board's intention, at an appropriate time, to buy-back the Deferred Shares (for a nominal sum) and subsequently apply to the Court to cancel the resultant capital redemption reserve that would be created.

Tax implications for Shareholders

For tax purposes, the New Ordinary Shares will result from a reorganisation of the share capital of the Company. Accordingly, holders of Existing Ordinary Shares should not normally be treated as making a disposal of all or part of their holding of Existing Ordinary Shares by reason of the share capital reorganisation. The New Ordinary Shares which replace their holding of Existing Ordinary Shares will be treated for tax purposes as the same asset and acquired at the date or dates as their holding of Existing Ordinary Shares.

4. Share Authorities

The Directors are not able to allot any New Ordinary Shares unless they have been given the authority to do so by Shareholders in accordance with the Companies Act 2006 (as amended). Furthermore, the pre-emption rights, which attach to the New Ordinary Shares by virtue of the provisions of the Act and the Financial Conduct Authority's Listing Rules, and prevent the Directors from issuing the New Ordinary Shares without first offering them to the existing Shareholders in proportion to their existing holdings, may only be disapplied with the express authority from Shareholders.

The need for additional authorities

The Company is seeking requisite authority from Shareholders for the following reasons:

- It has outstanding CULNs being 666,667 New Ordinary Shares resulting from £100,000 in face value of CULNs converting at 15 pence per New Ordinary Share and 10,805,508 shares resulting from £270,138 in face value of CULNs converting at 2.5 pence per New Ordinary Share; and
- additional headroom for any fundraise in the future to expire at the next AGM.

The proposed new share authorities

The authorities sought by the Directors pursuant to resolutions 7 and 8 will allow the Directors to issue 11,472,175 New Ordinary Shares on the conversion of the outstanding CULNs and to issue up to 120,000,000 New Ordinary Shares to raise additional capital for the Company. However, whilst the Directors appreciate this is a request for a substantial disapplication of shareholders' pre-emptive rights, the Directors are also that mindful additional cash resources will be required to make meaningful investments or undertake an RTO.

5. Annual General Meeting

In the usual way we ask and encourage to vote for the Annual General Meeting resolutions by appointing the Chairman as a Shareholder's proxy. Accordingly, Shareholders are encouraged to complete the Form of Proxy accompanying this Document which must be completed and returned, in accordance with the instructions printed on it, so as to be received by the Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY, United Kingdom as soon as possible, but in any event not later than 11 a.m. on 5 July 2023.

In accordance with the Company's Articles of Association, the Chairman is exercising his discretion to demand, in advance, that all voting at the meeting will be conducted on a poll and there will be no show of hands. This means that votes will be counted for all the Existing Ordinary Shares that you have.

Please remember it will be of great assistance if Shareholders submit any questions in advance by email to info@grinvestmenttrust.com with the subject line "Annual General Meeting Question".

We would politely remind you that the Board will not answer questions relating to the individual rights of Shareholders at the Annual General Meeting itself, but if you wish to submit such a question by email, we will respond to the extent we are able.

If you chose to submit a question, we will confirm to you at least 48 hours in advance of the meeting that the question will be addressed. Unless you specifically request otherwise, the Chairman will put your question to the meeting and identify you by name as the person who has put the question.

The meeting takes place at 11 a.m. on 7 July 2023.

The Chairman will then formally put the Resolutions to the meeting and advise of the proxy votes received in advance. The meeting will then formally close.

The results of the Annual General Meeting will be announced by Regulatory News Service and posted to the Company's website <http://grinvestmenttrust.com/> on the day of the Annual General Meeting. The business of the Annual General Meeting includes resolutions that public companies regularly bring to shareholders.

6. Business of the Annual General Meeting

Ordinary Business

Resolution 1 – Reports and accounts

The Board will present the Company's reports and the accounts for the years ended 31 December 2022, as contained in the Annual Reports which are available to view on the Company's website at <http://grinvestmenttrust.com/>.

Resolution 2 concerns the reappointment of Mr Lampshire

Mr Lampshire retires and offers himself for reappointment.

Martin Lampshire (aged 61) started his career in Lloyds Bank's Commercial Services division in 1989 after completing the Chartered Banker Professional Certification. He has assisted many companies in a variety of equity raises including initial public offerings, secondary fundraisings, vendor and private placings across a variety of sectors. He has also worked in a number of overseas financial centres including Hong Kong, Singapore, Kuala Lumpur and Dubai.

He has controlled and managed fund management, venture capital and investment banking companies in London, Australia, Hong Kong and North America. He has been a director of more than 20 companies, many of which have been in the mineral resource and gold exploration fields. In 1997, he founded Golden Prospect plc and was executive chairman until 2007 when the Company changed its name to Ambrian Capital plc. In addition, he was executive chairman of the Australian Bullion Company (Pty) Limited, which at the time was Australia's leading gold dealer and member of the Sydney Futures Exchange.

Resolution 3 is proposed as an ordinary resolution.

Resolution 4 concerns the reappointment of Mr Lockwood

Mr Lockwood retires and offers himself for reappointment.

Mr Lockwood (aged 79) has forged a successful career in fund management and mining investment. He founded New City Investment Management in 2004 and notably ran five quote investment trusts, one of which was the specialist fund Geiger Counter Limited Uranium Fund. Richard was formerly a mining investment partner for Hoare Govett and McIntosh Securities. He was also involved in the development and financing of several gold and base metals projects in Europe, Australia and Africa. Richard's intimate knowledge and experience in the mining and uranium industries is considered an invaluable asset to the Company during its current growth phase.

Resolution 4 is proposed as an ordinary resolution.

Resolution 5 - Reappointment of Auditor and fixing of Auditors' remuneration

At each Annual General Meeting at which the accounts are laid before the members, the Company is required to appoint an auditor ("**Auditor**") to serve until the next such meeting. It is proposed that PKF Littlejohn LLP be reappointed as the Auditor. This resolution also authorizes the Directors to agree the Auditors' remuneration.

Resolution 5 is proposed as an ordinary resolution.

Special Business

Resolution 8 – Disapplication of Pre-Emption Rights

Resolution 8 which is being proposed as a special resolution will, if passed, enable the Directors to issue up to 11,472,175 New Ordinary Shares in connection with the conversion of the CULNs and issue up to an additional 120,000,000 New Ordinary Shares, for cash without first offering such New Ordinary Shares to existing Shareholders *pro rata* to their existing shareholdings.

BASIS OF VOTING

In accordance with the Articles, all Shareholders entitled to vote and be present by proxy at the Annual General Meeting have one vote in respect of every Existing Ordinary Share held.

In this way all proxy votes will count towards the voting.

ACTION TO BE TAKEN

Shareholders will find enclosed a Form of Proxy for use in connection with the Annual General Meeting. Whether or not Shareholders propose to attend the Annual General Meeting, they are requested to complete, sign and return the Form of Proxy as soon as possible, in accordance with the instructions printed on it.

To be valid, the enclosed Form of Proxy must be lodged with the Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible and, in any event, so as to arrive by no later than 11 a.m. on 5 July 2023.

RECOMMENDATION

The Directors consider the passing of the Resolutions to be in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors unanimously recommend that Shareholders vote in favour of the Resolutions.

The Directors intend to vote in favour of the Resolutions in respect of their own beneficial holdings of Existing Ordinary Shares (amounting to 447,222 Existing Ordinary Shares, representing approximately 2.46% of the issued share capital of the Company as at 9 June 2023).

Yours faithfully

Richard Lockwood
Chairman

SHAREHOLDER NOTES

1. As a shareholder you are entitled to appoint a proxy or proxies to exercise all or any of your rights to attend, speak and vote at the Annual General Meeting. A proxy need not be a member of the Company but must attend the Annual General Meeting to represent you. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You can only appoint a proxy using the procedure set out in these notes and the notes to the proxy form.
2. A proxy must vote in accordance with any instructions given by the Shareholder by whom the proxy is appointed. A proxy has one vote on a show of hands in all cases (including where one shareholder has appointed multiple proxies) except where he is appointed by multiple shareholders who instruct him to vote in different ways, in which case he has one vote for and one vote against the resolution.
3. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
4. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Registrar (ID 3RA50) no later than 48 hours (excluding non-working days) before the time of the meeting or any adjournment. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
5. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
6. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
7. The return of a completed proxy form or other instrument of proxy will not prevent you attending the Annual General Meeting and voting if you wish.
8. To have the right to speak and vote and the Annual General Meeting (and also for the purposes of calculating how many votes a member may cast on a poll) shareholders must be registered in the Register of Members of the Company no later than close of business on the day which is two days (excluding non-working days) before the day of the Annual General Meeting or any adjourned meeting. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
9. If the Annual General Meeting is adjourned to a time not more than 48 hours after the record date applicable to the original Annual General Meeting, that time will also apply for the purpose of determining the entitlement of shareholders to attend and vote (and for the purposes of determining the number of votes they may cast) at the adjourned Annual General Meeting. If,

however, the Annual General Meeting is adjourned for a longer period then, to be so entitled, shareholders must be entered on the Company's register of members ("**Register of Members**") at the time which is 48 hours before the time fixed for the adjourned Annual General Meeting or, if the Company gives new notice of the adjourned Annual General Meeting, at the record date specified in that notice.

10. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act 2006 (nominated persons). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights. Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.
11. Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with Section 323 of the Companies Act 2006. Pursuant to the Companies (Shareholders' Rights) Regulations 2009 (*SI 2009/1632*), multiple corporate representatives appointed by the same corporate shareholder can vote in different ways provided they are voting in respect of different shares.
12. Any person holding 3% or more of the total voting rights of the Company who appoints a person other than the Chair of the meeting as his proxy will need to ensure that both he and his proxy comply with their respective disclosure obligations under the Disclosure Guidance and Transparency Rules.
13. A quorum consisting of three or more shareholders present in person or by proxy is required for the Annual General Meeting. If, within half an hour after the time appointed for the Annual General Meeting, a quorum is not present the Annual General Meeting shall be adjourned for seven days at the same time and place or to such other day and at such other time and place as the Board may determine and no notice of adjournment need be given at any such adjourned meeting. Those shareholders present in person or by proxy shall constitute the quorum at any such adjourned meeting.
14. As at 9 June 2023, (being the last business day prior to the publication of this notice) the Company's issued share capital consisted of 18,198,295 Ordinary Shares carrying one vote each. Therefore, the total voting rights in the Company as at 7 June 2023 were 18,198,295 votes.
15. Further information regarding the meeting which the Company is required by Section 311A of the Companies Act 2006 to publish on a website in advance of the meeting (including this Notice), can be accessed at <http://grinvestmenttrust.com/announcements-publications.html#publications>.
